“Chapel FM—it’s a place to try new things” Rebekah

Chapel FM will be running another series of arts courses for young people from East Leeds (11–18 years old). The Next Generation courses run for 6 months, one night a week between 5–7pm. You will also have a chance to get a nationally accredited Arts Award qualification.

- **Foundation (Tuesdays)** A chance to get a taste of everything we do at Chapel FM from performing music to creative writing and, of course, making radio shows
- **Broadcasting (Wednesdays)** Take to the airwaves with a range of presenting interview, technical and DJ skills that will allow you to develop your broadcasting abilities and produce your own shows
- **Music (Thursdays)** Develop your musical ideas and improve your on-stage skills through making music with new people & performing at Chapel FM
- **Theatre (Thursdays)** Working with East Leeds Youth Theatre who use drama to explore themes and create a broad range of performances

All courses start in the week beginning 9th October and the only cost is a one-off £30 fee. For more information or to book a place, contact Centre Manager Fuzzy Jones on 0113 22 55 944 or email info@chapelfm.co.uk
