East Leeds FM Summer Broadcast

10am-10pm every day!

This summer East Leeds FM will be back broadcasting live from Chapel FM Arts Centre and beyond for our summer broadcast extravaganza. Every day between Saturday 28th July and Sunday 5th August, you can tune in for the best mix of music, stories, news, live performances, current affairs and interviews.

No Bystanders

All in our special style involving people of all ages and bringing you the best in community radio, this year's broadcast festival will feature programming centred on the theme of No Bystanders. This simply means exploring issues affecting people today and asking the question - what can we do about them?

Music. Leeds. Us

We'll also be doing everything we can to tell you just how brilliant the Leeds music scene is. Listen out for interviews and features with local musicians and venues, also featuring live performances across the week.

Tune in on the ELFM Player

Tune in with the click of a button by heading over to the ELFM Player on www.chapelfm.co.uk. Here you'll find the full summer schedule and can also listen back to content after it has aired. You'll also find the latest happenings, including the exciting news that East Leeds FM has been granted an FM licence and will soon be taking to the airwaves full time!
