Chapel FM: 3pm Sat Dec 7th to 3pm Sun Dec 8th

Join us for the 10th annual Chapel FM musicathon—a wonderful celebration of live music—everything from pop to folk, jazz to opera, funk to yodelling.

Back in 2009, the musicathon was the first thing we ever did at the old Chapel; exploring the possibility of creating an arts venue in East Leeds from what was an unused, decaying building.

Ten years on the musicathon takes place in the completely renovated, thriving Chapel FM Arts Centre, and we prepare to extend as we re-develop the Hall next door.

Listen and watch online on our website or on Facebook Live. Or better still come along and be part of the studio audience in our fabulous radio theatre—just turn up at any point during the 24 hours.

Chapel FM is in Seacroft, a few miles east of the city centre. You can find full directions on our website.
